

Ulrich Medical's EHR Solution Received 2014 Edition ONC HIT Certification

PADUCAH, K.Y. -- [Ulrich Medical Concepts](#), a leading provider of physician based healthcare information solutions, announced that its electronic health record (EHR), [Team Chart Concept](#) (TCC) received 2014 Edition Complete Ambulatory EHR Certification.

This certification designates that the TCC is capable of supporting healthcare providers with Stage 1 and Stage 2 Meaningful Use measures required to qualify for funding under the American Recovery and Reinvestment Act (ARRA). TCC was certified by [ICSA Labs](#), an Office of the National Coordinator-Authorized Certification Body (ONC-ACB) and is compliant in accordance with the criteria adopted by the Secretary of Health and Human Services (HHS).

“Achieving this certification validates our continuing commitment to provide a Complete EHR solution for providers,” said Sandra Ulrich, President of Ulrich Medical Concepts. “We work closely with our clients, ensuring they maintain high levels of productivity while using TCC. We are pleased to help providers achieve Meaningful Use Stage 2.”

About Ulrich Medical Concepts

Ulrich Medical Concepts is a leading EHR software development and a full service medical organization. Ulrich Medical's flagship product, Team Chart Concept (TCC), is ONC certified. TCC seamlessly integrates EHR with practice management, meeting the ever-changing needs of medical practices. For more information, please visit www.ulrichmedicalconcepts.com.

About ONC Certification

The ONC Certified HIT Technology program tests and certifies that Health IT technology is capable of meeting the 2014 Edition criteria approved by the Secretary of Health and Human Services (HHS). The certifications include Complete EHRs, which meet all of the 2014 Edition criteria for either eligible provider or hospital technology and EHR Modules, which meet one or more — but not all — of the criteria.

About ICSA Labs

ICSA Labs, an independent division of Verizon, offers third-party testing and certification of security and health IT products, as well as network-connected devices, to measure product compliance, reliability and performance for many of the world's top security vendors. ICSA Labs is an ISO/IEC 17025:2005 accredited and 9001:2008 registered organization. ICSA Labs is NVLAP accredited as a Health IT Test Lab and is also an ONC-Authorized Certification Body (ONC-ACB) accredited by ANSI to ISO/IEC Guide 65. Visit <http://www.icsalabs.com> and <http://www.icsalabs.com/blogs> for more information.

** This Complete EHR is 2014 Edition compliant and has been certified by an ONC-ACB in accordance with the applicable certification criteria adopted by the Secretary of Health and Human Services. This certification does not represent an endorsement by the U.S. Department of Health and Human Services. TCC was certified on 11-8-13. CHPL Product Number: 130092R01.*
