

# Unlock Your Possibilities

Team up with TransFirst<sup>®</sup> for secure, innovative payment processing technologies.

Team Chart Concept's (TCC) integrated credit card processing solution can help your practice be more efficient, accurate and cost effective. And that can help you grow your practice.

With TCC and TransFirst's payment process, you can spend your valuable time focusing on what is most important — your patients.

## TCC's program offers:

- Automatic payment posting to patient accounts within TCC
- Increased efficiency and elimination of manual entry and errors saving time and resources
- Ability to manage multiple payment options including Visa<sup>®</sup>, MC<sup>®</sup>, Discover<sup>®</sup>, AMEX<sup>®</sup> and ACH with a single payment processing solution
- No costly maintenance of point-of-sale equipment or telephone lines
- Simple enrollment process — **no contract term or cancellation fees**
